THE LAKE

Bobs Lake is one of the largest inland lakes in Eastern Ontario with approximately 400 miles of shoreline, numerous bays and many islands. It is also part of the Tay River System, shoreline levels do fluctuate towards the end of the summer season. The Lake is populated with Small and Largemouth Bass, Northern Pike, Walleye and Lake Trout which appeals to North American fishermen. Facilities around the Lake include lodges, resorts, marinas and campgrounds. The landscape is typical of the Canadian Shield, rocky with many bare outcroppings. Access to Bobs Lake is via secondary highways; 50 minutes north of Kingston, 1 ½ hours from Ottawa and 3 hours from Toronto.
